

INDUSTRIAL OILS

MILL ROLL OILS

- VEEDOL MILL ROLL OIL 2 • VEEDOL MILL ROLL OIL 3
- VEEDOL MILL ROLL OIL 4

DESCRIPTION

- Manufactured from high viscosity base stocks and contain special compounding agents and select non-toxic extreme pressure additives.

APPLICATIONS

- Recommended for mill roll bearings of sugar mills.
- Suitable for centralized lubrication system of slow speed spur and helical gears and for open gear lubrication by slush pan method.

BENEFITS

- Excellent anti-wear and anti-corrosion properties.
