

## INDUSTRIAL GREASES

### VEEDOL NON SOAP GREASES

- VEEDOL ARMOL 2

#### DESCRIPTION

- Non-soap, chemically stable grease with Molybdenum.

#### APPLICATIONS

- Recommended for shock load conditions with high temperature.

#### BENEFITS

- Can withstand very high temperatures without softening or melting and also possesses high load bearing capacity.

### CHARACTERISTICS

VEEDOL ARMOL			2
Texture			Smooth
NLGI Consistency			2
Soap Type			Non-Soap
Worked Penetration 60st @ 25°C	Min		265
	Max		295
Drop Point°C	Min		250
