

MISCELLANEOUS AUTOMOTIVE PRODUCTS

VEEDOL CNG SPECIAL

DESCRIPTION

- Viscometrics – SAE 20W-50.
- Exceeds requirements of API CF/SF performance standards.

APPLICATIONS

- Specially developed for engines in buses, taxis, cars and auto rickshaws (4-stroke) running on Compressed Natural Gas (CNG) and Liquefied Petroleum Gas (LPG) dual fuel.

BENEFITS

- Extends proper lubrication under varied climatic conditions such as extreme summer and winter.
- Unique formulation containing additives such as detergent dispersant, anti-wear, anti-rust and anti-oxidation ensures complete engine protection.
- Higher oxidation and nitration resistance ensures longer drain with minimum top-up requirements.

CHARACTERISTICS

VEEDOL CNG SPECIAL		20W-50
Kin. Vis. cSt at 100°C	Min	17
	Max	19
Viscosity Index	Min	120
