

## DIESEL ENGINE OILS

### VEEDOL HEAVY PULL

#### DESCRIPTION

- Viscometrics – SAE 15W-40.
- Exceeds requirements of API CF-4 and IS 13656 : 2002 EDL-4 performance standards.

#### APPLICATIONS

- Specially developed multigrade engine oil for use in Tata Ace, Piaggio Ape, Mahindra Champ, Force Minidor, Atul Shakti, Bajaj Auto Rickshaw, Vikram and other high performance new generation diesel engines of LCVs.

#### BENEFITS

- Possesses extra tackiness that minimizes engine wear even under heavy loads and high operating temperatures.
- High thermal and oxidation stability helps achieve longer drain interval and also keeps top-up requirements to a minimum.

#### CHARACTERISTICS

VEEDOL HEAVY PULL		15W-40
Kin. Vis. cSt at 100°C	Min	14
	Max	15.5
Viscosity Index	Min	130
Flash Point (COC) °C	Min	220
