

## GEAR & TRANSMISSION OILS

### VEEDOL MULTIGEAR

- Veedol Multigear 80 • Veedol Multigear 90
- Veedol Multigear 140 • Veedol Multigear Plus 80W-90

#### DESCRIPTION

- Solvent refined high viscosity index, extreme pressure, multipurpose gear oils.
- Conform to US ARMY specification MIL-L-2105, API Service Classification GL-4 and IS 1118 : 1992.

#### APPLICATIONS

- Recommended for conventional transmission and hypoid differential gears of automotive vehicles.

#### BENEFITS

- Possess excellent anti-rust, anti-wear and anti-foaming properties.

#### CHARACTERISTICS

VEEDOL MULTIGEAR		80	90	140	Plus 80W-90
Kin. Vis. cSt at 100°C	Min	8	14	24	14
	Max	12	18	32	18
Viscosity Index	Min	95	90	90	95
Flash Point (COC) °C	Min	200	200	240	200
