

INDUSTRIAL GREASES

VEEDOL LITHIUM SOAP GREASES

- VEEDOL ALITHO 20 • VEEDOL ALITHO 30

DESCRIPTION

- Multipurpose lithium based grease with high water and oxidation resistance properties.
- Available in NLGI consistencies of 2 and 3.
- Conform to IS 7623 : 1993 specifications (Reaffirmed 2006).

APPLICATIONS

- Recommended for plain and anti-friction bearings.

BENEFITS

- Possesses excellent anti-corrosion anti-rust characteristics.
- Can withstand high operating temperatures.
- Excellent structural stability.

CHARACTERISTICS

VEEDOL ALITHO GREASE			
		20	30
Texture		Smooth	Smooth
NLGI No.		2	3
Worked Penetration 60st @ 25°C	Min	265	220
	Max	295	250
Drop Point°C	Min	185	185
Free Alkalinity (as LiOH) % by mass	Max	0.1	0.1
Copper Strip Corrosion		-ve	-ve
