

## AUTOMOTIVE GREASES

### VEEDOL ALL PURPOSE SPECIAL GREASES

- Veedol AP2 Special Grease • Veedol AP3 Special Grease

#### DESCRIPTION

- Lithium based multi-functional, high temperature, water-resistant multipurpose greases.
- Meets IS 12203 : 99 (Reaffirmed 2009) specification.

#### APPLICATIONS

- Recommended for all grease-lubricated parts of automobiles including commercial vehicles.

#### BENEFITS

- Good thermal and structural stability.
- Possess high drop point and high oxidation resistance.
- Provide excellent protection against rusting and corrosion.

#### CHARACTERISTICS

VEEDOL AP SPECIAL GREASE		2	3
Texture		Smooth	Smooth
NLGI Consistency		2	3
Soap Type		Lithium	Lithium
Worked Penetration 60st @ 25°C	Min	265	220
	Max	295	250
Drop Point°C	Min	185	185
Free Alkalinity (as LiOH) % by mass	Max	0.1	0.1
Copper Strip Corrosion		-ve	-ve
